Travel Itinerary

University of Kentucky 2022

TRAVEL SYNOPSIS

After two years of waiting, we are back on the road. We are thrilled to start this year at the University of Kentucky. The Season Opener will be our first chance to start to travel together as a family again. Unlike our TOC trips, we will be flying in and out of Lexington to be more convenient. We are looking forward to a great weekend of competition, complete with Cane's, Great Bagels and some other Kentucky treats!

Students will arrive to meeting places on-time; they will notify a chaperone if they will be even 1 minute late to a meeting place. Students will have their cell phone on at all times (but silenced during rounds). They must check their phone in-between rounds to make sure no one is trying to contact them. Students may not leave the hotel premises without a chaperone, or leave your room past the curfew for each night. Lights out is 11:00PM. All rules, standards, and expectations in the Team Handbook and the Durham Academy All Student Handbook are in effect during travel. Students will ask Mr. Leavoy permission for anything of which they are unsure.
