### TEAM TRAVEL RULES

Students will arrive to meeting places on time; they will notify a chaperone if they will be even 1 minute late to a meeting place. Students will have their cell phone on at all times (but silenced during rounds). They must check their phone in-between rounds to make sure no one is trying to contact them. Students may not leave the hotel premises without a chaperone, or leave your room past the curfew for each night. Lights out is 11:00PM. All rules, standards, and expectations in the Team Handbook and the Durham Academy All Student Handbook are in effect during travel. Students will ask Mr. Leavoy or Mr. Mauchline permission for anything of which they are unsure.
